Oral  
therapeutics

Vaccines for  
neonatal sepsis

Gonorrhea  
products

## Key FAQs from cycles 1 and 2

- Portal accounts
  - If you already have an account, please use it. Do not re-register.
  - Please note that your username will always be your email address appended with .carb-x (e.g., pat.smith@biotech.com.carbx)
- Saving drafts
  - “Save as Draft” + “OK”
  - Each time you resume a saved draft you must click “Save as Draft” + “OK” even if you make no changes to avoid losing the resumed draft.

Select **Save as Draft**. You will see the message below. Be sure to click **OK**.

*Your application will be saved as a Draft. You can return to the My Applications page to resume at any time. Click OK to Save as Draft.*

Your draft application will now be saved under **My Applications** accessible from the Portal homepage.
